Victor Farmington Library

Save the Date - Friends meeting Friends, October 5, 2024

Dear Friends of OWWL,

The Victor Farmington Library Friends group was invited and attended the NYLA Friends of the Monroe County Library System. This meeting was held at the Pittsford Library last spring. We were excited to meet with other Friends groups and thought it would be an interesting idea to reach out to the OWWL Friends to see if there is interest in joining together for a couple hour session to share ideas.

This session will be held on Saturday, October 5th from 10:00 to noon at the Victor Farmington Library. We will have representatives from NYLA who will give short presentations and have a sharing session where each attending Friends group will talk about their activities and involvement in their respective libraries.

We are looking forward to this opportunity to meet with our OWWL peers. There is no cost to be involved, just getting to know others who love and support their library.

More information to follow; if you have any questions please don't hesitate to reach out.

Sincerely,
