

**AIDE "C" (Question 1.48)**

This information is taken from last year's annual report (2023). Use it as a **GUIDE ONLY** to complete Q1.48 with **YOUR 2024 data**. ONLY complete a record for each municipality or district that you received money from in 2024 that contains an area unserved by a chartered library. For example: if you received money from the Town of Bristol (regardless of which library you are) you would NOT include that information since the Bristol Library is chartered to serve the Town of Bristol.
