OWWL Library System Name Change

- ✓ After first discussing the idea of changing the System's name in 2019, we have finally accomplished this long-time goal.
- ✓ "OWWL Library System" has been approved by the Board of Regents as well as provisional approval by the IRS
- ☐ Our next steps are to continuing rolling out the name change on our financial paperwork and with the Division of Library Development.

FY 2022 Budget and Beyond

2022 Budget

We are on target to have a modest surplus that will help stabilize our contingency reserve fund, provide minor renovations to the System building, and to help promote “OWWL Library System.”

2023 and Beyond

We are estimating flat funding in 2023, however, there may be a downturn in State Ed. funding moving forward. Luckily, we have planned for those possibilities and will be able to operate relatively uninterrupted should State Aid receive a cut.
