Aaron, Betsy, Bob, Ellen & Jim will lead you through discussions, demonstrations, and detailings of currently delivered reports, reports in the pipeline, reports in your dreams, and how they can be used. Bring your report questions. Bring your report ideas. We hope to clarify any confusion about how the numbers are generated and demonstrate some of the reporting tools in our arsenal.

In addition to Evergreen, we'll look at wifi usage and OWWL2go and other things that can be used to reflect the activity and effectiveness of your library programs and services.

Libraries that sent at least one representative to Albany on Tuesday, March 1 for Library Advocacy Day have a chance to win a gently used book cart. Good Luck!
