with
Betsy & Heidi**

J and YA books available for examination

9:30 – 10:15 **Announcements and Resource Sharing**

10:15 – 10:30 **Break**

10:30 a.m. **Program:**

What isn't your collection telling you?

A great tool in Evergreen allows Collection Analysis to tell the real story about how your collection is being used (or not used). Learn what reports to ask for, how to interpret data, and use the reports to fine tune your collection so that it works for you and your community. There will be opportunity for sharing during table talks, so bring one best practice you would like to share and one problem you would like help solving that relate to collection management.

Facilitator – Ellen Reynolds

Collection Management: Policies and Procedures that develop collections and organize resources for access by users.

After the system meeting:

- **CLAC – Central Library Advisory Council**
- **Youth Services Advisory – sub-committee Summer Reading Planning meeting**

Contact Heidi by 10am for lunch order.
