- 9:30 – 10:15** **Announcements**
- 10:15 – 10:30** **Break**
- 10:30 a.m.** **Program:**

[Accessing and Creating Local Content](#)

Barb Ciambor, RRLC Outreach Librarian, will provide a guided tour of the New York Heritage Digital Collections and Historical Newspapers of the Rochester, New York Region databases.

NY Heritage Digital Collections, a project of the NY3Rs Association, Inc. provides the public with free access to digital collections of historical and cultural interest. The site provides immediate free access to more than 160 distinct digital collections that reflect New York State's long history. Collection items include photographs, letters, diaries, directories, maps, newspapers, books and more.

Historical Newspapers of the Rochester, NY Region provides indexed access to selected historical newspapers from the service area of the Rochester Regional Library Council: Livingston, Monroe, Ontario, Wayne and Wyoming counties. The content is limited to microfilmed newspapers. Currently included are newspapers from Brockport, Geneva, Canandaigua, Fairport and Newark and a run of the Catholic Courier.

Chris Finger from Geneva and Peg Pelletier from Newark will provide an overview of the workflow behind the process of adding a digital collection.
