1	1				For the possible Rebekkah Advocacy Boot Camp: I would love to have one for staff. They are advocates (for good or bad) every minute they are working at library. I would send as many staff as I could if one for staff was offered!!	This presentation gave me some ideas of other collections to digitize & ways to partner & publicize project.

	1	1			Ideas to draw patrons to library, more effective ways to maintain/run a library, & positive upbeat presentations.	Just information to give patrons if they are interested. I will post the website & inform the local Historical Society.

	1				Would be great to have the scanning & metadata of items demoed at a meeting.	
	1				Collaboration with various community organizations	Great resource, but I personally didn't need all of the "Database Searching 101" info.
