[Affordable Health Care Act](#)

Being bombarded by information about the upcoming Affordable Health Care Act? Where do libraries fit in? What is it you and your staff need to know in order to assist patrons? We will give you an overview of what we know to date and how your library might be affected.

Facilitators: Cassie Guthrie and Pat Finnerty

[Free Direct Access Plan](#)

Every public library system must have a Free Direct Access Plan as part of their Plan of Service. Pioneer's plan was written in 1999. Changes in the economic landscape warrant the drafting of a revised plan, which must be approved by a majority of member library boards, the Pioneer board, and finally the Commissioner. Betsy will explain the regulations and present the draft plan for member discussion and comment. In its essence, Free Direct Access allows residents who live within Pioneer's geographic boundaries but not within a member chartered service area to:
