

System Meeting Agenda

April 25, 2014

@Pioneer Library System Office, Canandaigua

- 9:00 – 9:30** **Birds of a Feather: What Do Reports Mean to You?** with Lindsay Stratton
Brief overview of the available PLS Reports—scheduled and ad hoc—focusing on recent changes and new reports, and emphasizing how certain reports have implications for circulation desk workflow. If time allows, we may also touch on non-report lists of records (e.g. Browse Holds Shelf and the Transit List) that have direct impact on circulation.
- 9:30 – 10:15** **Announcements**
- 10:15 – 10:30** **Break**
- 10:30 a.m.** **Programs:**

[Human Library and PLA Roundup](#)

Program I: Human Library - Don't Judge a Book by Its Cover

This presentation will help you learn how your library can host and organize a Human Library Event, with people on loan as living books. Points about the Human Library that will be covered are: its history, what is and is not the Human Library, your library's mission, recruiting Human Books, how to find bestsellers, interviewing books, creating titles, and promotion.

Presenter: Judy Schewe, Music & Media Librarian, Central Library of Rochester

Program II: PLA Pecha Kucha Recap

After the Human Library program several PLA attendees will give [Pecha Kucha](#) style presentations highlighting their favorite PLA moments. Pecha Kucha is a concise, fast-paced presentation style that allows several speakers to present in a short period of time. This program will allow 15 slides to be shown, at 20 seconds a piece, giving speakers a total of 5 minutes for their presentation. We hope this will be a fun (and interesting) way to gain some PLA information.

Facilitator: Ron Kirsop
