

# Using New Media in Story Time Training

**Friday, October 10, 2014**

**Pioneer Library System**

**9:00 am - 3:00pm**

**Workshop Fee: Free to all PLS staff members**

*Please bring a lunch (or order that day from Eric's Office. Lunch cost is \$11.25, cash)*

This **all day** training workshop will explore why and how incorporating digital media into our collections and programming is now an essential part of children's librarianship. Learn tips and tricks for translating traditional storytelling techniques into the digital realm.

***Please note: If you have applied for the iPad mini-grant, attendance (from at least one person from your library) at this workshop is required.***

## **The workshop will enable you to:**

- Provide current research on the effects of digital media on young children
- Learn how to incorporate digital media into your story times
- Model healthy media behavior in early literacy programming and share with parents and caregivers
- Find, use and evaluate the best FREE apps for your programs
- Offer practical guidance on how to set up the necessary equipment in a digital story time

*Presenter: Anne Hicks, Children's Librarian at Henrietta Public Library and board member of Little elit (littleelit.com)*

*To register: see the PLS Calendar of events*
