

System Meeting Agenda

September 19, 2014

@Pioneer Library System Office, Canandaigua

9:00 – 9:30 **Birds of a Feather: Teen Tech Tutors** - presented by Kelley Blue and Ben Lainhart of Wood Library
Overwhelmed by tech requests at your library? Some public libraries have successfully trained teen volunteers to work with patrons who need more one-on-one tech time than most library staff can afford.
This summer, Wood Library launched its inaugural Teen Tech Tutors program. Come learn about the entire process of setting up a TTT program, from interviewing applicants, to training, execution and evaluation.

9:30 – 10:15 **Announcements**

10:15 – 10:30 **Break**

10:30 a.m. **Program:**

IT Showcase

Presenters: Bob Wicksall and Adam Keuer

Come see what the CANS department has been working on. Learn how thin clients and Chrome boxes can save money through lower hardware costs and reduced support requirements. Also learn how you can provide driver-less printing to your patrons' wireless devices.

Ask Bob & Adam – Have a technology question? Directly after the showcase session, time permitting, Bob and Adam will field questions from the audience.

After the system meeting

Youth Yak - will feature a presentation from AWE rep Joan Wicks highlighting the new things from AWE along with a discussion about up coming events that will benefit those in youth services.

Lunch orders placed by 10am
