## **No Birds of a Feather session**

**9:30 – 10:15      Announcements**

**10:15 – 10:30      Break**

**10:30 a.m.          Program:**

## **Adding Value to Your Collection with Weeding**

Weeding is an essential part of collection development, but is all too often ignored. Make sure your shelves and your collections reflect your library's services by having current, updated, attractive and useful materials. Discuss weeding philosophies, guidelines, and practical tools for evaluating your collection. Join us to take the fear out of weeding.
