

help them hire a new director  
I hope our librarian stays with us for a very long time  
Happy staff  
Our director stays  
Continued good service, staff

## **Programs and Services**

To be self-sustaining and a leader among libraries in programming and technology  
Continue to offer wide diversity of programs attracting people of all ages  
To continue creating programs that encourage our youth to love reading and writing  
More program participants  
upgrade all computers, computer classes, community outreach, increase early literacy  
Youth Programs, Makerspace  
I aspire to have more programs for pre-teens and teens  
Revamp the children's library to provide Maker Space and interactive lively programs  
continue to meet the needs of our patrons and expand our programs for children and adults  
Expanded hours. Increased awareness of our STEAM lab!  
Will never run out of books and people who love to read books  
To continue with the same level of service that I have always known  
Robust technology options!  
To have successful children's programs  
More technical support for patrons ex. Inservices  
Technical support resource to older senior patrons  
Music collection  
More budgeted hours for teaching more classes  
program expansion, more space  
I aspire for my library to become a place that promotes STEAM and makerspace programs for the children and families  
in the community  
Fulfilling the needs of the patrons  
improve programs improve services  
Lots of circulating books, lively programs  
Continue to assist the older population in keeping up with rapidly advancing technology  
to be a resource for many different types of people  
Increased programs for adults, reaching all demographics  
happy patrons  
More accessible local history, accommodating for teens, community center, technology training, job search center  
To see increased service to the aging population of the community.  
Children and library cards  
That the e-Readers become extremely popular, some grumbling taxpayers come in and take advantage of all we offer,  
that the attendance at teen programs doubles, that a wedding be held in our Palmyra Library  
We aspire to a "Mini" Free Library established in Groveland  
Increase Teen Programs  
To have Groveland access to Library Services in Groveland  
Hands on STEM activities (Science Tech Eng + Math), Community Programs, Programming Training  
improving kids programs  
more adults will take advantage of our amazing offerings

## Engagement

Increase use by a broader audience

Happy Place for Happy People

We aspire to be community orientated and, as a result, be well-used, well-loved and abundantly funded

Best place for everyone to be

Onward and upward

I aspire to give the best customer experience possible to our patrons!

to always be growing in many directions

I aspire our library to remain open in our small town- interest more younger people- more fun activities + more community support- please keep us open

A warm, welcoming atmosphere (+books!)

Fine free,

welcoming and inclusive,

be a happy environment,

kids will continue to find the library a comfortable and safe place to hang out

Continue to grow the Library

## Community

To be a Library the community will be proud of

For everyone in the community view Wood Library as our community center and support

Community lynchpin

Every community member comes to our library and borrows a book

Full connection to our community

For our library to be as attentive to the needs and wants of the area we serve as we can possibly have it be

Encouraging more people to find a reason to visit our library

Students to be more aware of the library and want to use it

Broad awareness in the community that Wood Library is a key player in Canandaigua's future

To be the center of the community

To continue bringing new teens into the library

I aspire for my library to have harmonious ties to all the community

That the library becomes a true community center

I would like to attract more young users, more community involvement

That our library is the top choice as a resource for information, learning, reading, listening, fun- and a place to meet in our community

I would love to get the community engaged and help (with or do more) programming at the library

I aspire that our community would have more awareness of the benefits of our library for them

More community involvement

To be the most happening and exciting place in town

Continue to grow and be critical to our community

A place for friends and families to gather for information, learning and community

For the library to be a safe, helpful fun place

I aspire for our library to become a hub of activity and interest for the young people in our community

To continue growing and serving the citizen of our town

For it to be a clean safe comfortable community hub. A happy place to be (It is)

I aspire to have the Williamson Public Library to be the best Edutainment Center in the area while honoring the commitment to all members of our community

To be the best public library in Wayne County!

I aspire that the community supports the library as it has in the past

For it to continue to flourish as the most vital community resource!

We aspire to continue to meet the needs of our community. We aspire to be the best library in NYS

To flourish more and more as the most vital community resource available to all the community.

Meet the many needs of the community,

to be a "hub" of the community,

our library will help revive a struggling Main St,

Our library will become more of a community gathering place,

I would like our Library to continue to grow as an integral part of serving the needs of our community

I would like our library to be everything our community wants it to be

know community needs and fulfil them,

Welcoming community

Continue to be a community center

We aspire to be community orientated

## **Physical and Virtual Space**

Completed second floor for the children's library at Wadsworth

Larger location to offer more programs and resources

Locate and have start and finish our renovation project

I would love for the Walworth Library to have more room (i.e. expand) so could have maker space and a dedicated program room with a sink!

More space

Teen area

A renovation project to expand service for handicapped patrons. Additional space for community needs

A fully automated handicapped accessible entrance

Improve access to the library, a new building

Completion of 3<sup>rd</sup> floor renovation! Looking forward to a vibrant space- perfect for increased community use and library programs.

Wadsworth Library expansion of Children's Room

We hope to do remodeling + updating in 2016 to better serve our community

More space

**GROWTH** In physical space and usage!

### **SPACE**

Successful additions to the library along with the completion of the construction project

Get our construction under way!

Continue outreach + add more programs + get better at how to get information out!

I really want a larger library with more room, books, programs, etc. Someday our dream will come true!

Get use of ancestry.com and other type of programs for library

Explore and create the possibilities of virtual space for library service
